Author's Notes:
Came to me while at work. Thanks to Lia for being awesome like she is :)

I don't want to him to go.

It happens at the end of every tour.

We have to say our goodbyes in Helsinki and I don't want to.

I don't want to say goodbye.

Why does it have to be this way? Why can't we tour forever?

Our families would suffer, but I'd never have to forget what he smells like after a shower. Something I instantly miss when he's gone.

But we have to, whether I like it or not.

One last hug before he heads up to Kemi with the others.

Maybe I won't let go this time?
